

## RUSTBEAT 1010-RP

**RUSTBEAT 1010-RP** is a highly effective mineral oil based, non-wax, rust and corrosion inhibitor that leaves a thixotropic oily film. It is acid resistant, water displacing, and has been proven to give superior protection to cold drawn bar stock during inside storage and long distance transit. **RUSTBEAT 1010-RP** can be easily removed by most conventional cleaning methods.

### USAGE

**RUSTBEAT 1010-RP** is recommended for use on cold draw bar, turned, ground and polished bars and other steel products. It is designed to be used as received and can be applied by spraying or dipping.

### PHYSICAL CHARACTERISTICS

Appearance	Amber Liquid
